## WHATSAPP GROUP RULES

### Etiquettes

- 1) Always keep to the purpose of the group, don't share irrelevant messages about other topics.
- 2) Don't spam the group.
- 3) Don't be offended if others leave.
- 4) Do politely excuse yourself before you leave a group.
- 5) Post your message in one single chunk of text, don't post every word or sentence in a new message.
- 6) If you're lurking in a group chat and 'seeing' every message, occasionally respond with something to remove the stalker vibe that inevitably develops.
- 7) Try not to have long one-on-one conversations in the group.
- 8) Do not post in any group between 21:00 and 07:00. Sleeping time according to your time zone.
- 9) If someone asks a question and you don't know the answer don't respond with "I don't know". Just wait for **ADMIN** to reply.
- 10) Please don't send in a hundred "thank you" messages.
- 11) If someone asks a question of a personal nature (like asking for advice) do not
- 12) text each other privately. You are supposed to write privately to the Admin to clarify the reason
- 13) Of contacting the person. Those who know each other they can communicate each other privately.
- 14) The group is not a political platform (unless you have specifically set it up for this purpose) No arguing, no heated opinions, no fear-mongering, no hyped-up drama, no fake news. Check your sources before you share.
- 15) Never EVER use a group to berate someone else or air grievances. If you have an issue address it one on one with the Admin.
- 16) Don't add random people to a close-knit group.
- 17) Always ask someone if you may add them before you add them.
- 18) Hit "Mute" on your WhatsApp group (unless you're part of an emerge
